

Application Form for Work Experience on dates OTHER than those designated on the school calendar.

Name of Pupil	
Class	

Designated Work Experience dates for this year:	
Requested Work Experience dates other than the aforementioned:	

Details of the Work Experience Request:

Why can this Work Experience not be undertaken during the designated dates?:

NB: It should be understood by all pupils and parents/guardians that by undertaking Work Experience outside the designated times on the school calendar that they must make it their responsibility to find out what they have missed and endeavour to catch up on material that may be covered in class in their absence. The school will notify all TY pupils of key dates at the beginning of the year. No extra provision will be made for pupils who, as a result of undertaking Work Experience during class time, miss DATs Tests, deadlines for subject choices, inclusion on school trips etc. Pupils will be notified in the usual manner (via the school's website etc.) but no extra communication will be made to those who are not in attendance.

I have read and understand the above:
